WHAT'S UP YOU BEAUTIFUL BABES?!

I'm Shayna. Your dreamy, Pisces rising- slightly eccentric- eclectic-retro-with a splash of classic inspired destination wedding and elopement photographer. That was a lot...but hey.. that's me! To say I'm non-traditional or "not just your average wedding photographer" would be an understatement. I want to get to know you both on a deeper more personal level. What is it that makes you two special? It's my mission to find out and capture that aura on camera. I'm not good at putting the pen to paper with all the things I want to tell you, so I'd say it's best we get to know each other better and do a lil' one on one time over zoom or FaceTime!

LET'S GET IN TOUCH

So before we get into it-I want to make sure we are the right fit!

As a photographer, it is SO important that we vibe and you feel cool, calm and collected around me and my camera. I want you to feel like you're in the presence of a really awesome friend (aka your favorite third wheel). I am not just a wedding vendor-I'm someone that is capturing some of the most raw, real, intimate life moments with you on camera.

Wouldn't it feel all that much better knowing you can be your true authentic selves in front of me and vice versa?! I'm all about experience. And the connection that I create with you and your partner are what inspires my artistry and creativity.

Before we dive into the booking process, let's do a quick phone call or FaceTime to see if we're a good fit!

WEDDINGS

A bride and groom are shown in a celebratory moment. The bride, on the left, has blonde hair styled in a braid and wears a white lace wedding dress with a veil. She is smiling broadly with her mouth open. The groom, on the right, is wearing a dark blue suit and a red boutonniere. He is reaching up with both hands towards the bride's bouquet, which is held high. The background is a dense wall of green foliage with small white and pink flowers. The overall lighting is warm and golden, suggesting a sunset or sunrise setting.

TESTIMONIALS

-KATELYNN P.

I simply cannot express to you enough how absolutely incredible Shayna is! To start she is an absolutely sweet, caring, and kind person. Every conversation we had from the very beginning she talked to me like a friend, and not just another client. My dream wedding photos were not posed, smiling, photos, but candid, "in the moment" kind of shots - and Shayna delivered! Every single photo is breathtaking. I am not someone who has ever liked myself in photos, but Shayna made me feel like the most beautiful person on the planet for the first time ever! She even captured the most amazing photos of our two special little kiddos (our dogs!). If you are looking for someone who is an angel of an individual, makes you feel comfortable, is easy to work with, and takes photos that make you stare at them for hours and hours - look no further than Shayna at Honeystill! Shayna, we absolutely adored having you! I cannot thank you enough!

-JENNEIL M.

Shayna did such an incredible job with our wedding; her pictures really captured the love, joy and energy of the day! She knows exactly what she's doing, and it allowed us to trust the process and enjoy ourselves. She made us feel comfortable and provided direction well to execute her vision. Her work is stunning and rich and full of emotion -- it is honestly art. I cannot recommend her enough!

My husband and I are absolutely blown away by her beautiful work and are in love with how our wedding + engagement photos turned out! The minute we met her, we felt as though we had been friends for a lifetime! She exceeded our expectations, her creativity and style is absolutely breathtaking! Do not hesitate, you are in incredible hands with a passionate, caring, kind and lovely human being! Best decision ever!!!!
